2. INDUSTRY SIGNIFICANCE OF MARKET ACCESS

Note: Describe the significance to your industry of trade in your product into the identified market(s). Describe the reasons for your view, including what percentage of crop, market share, value achieved in this market relative to similar markets, etc.

.....
.....
.....
.....

3. ACCESS ISSUE FROM A NATIONAL PERSPECTIVE:

Note: Describe the extent to which this issue is relevant from the industry's national perspective. If your application is at a level other than national, what are the implications from a national industry market access perspective and why is the proposal being raised at other than national level?

It is helpful if your application can be supported by a statement from your national industry association.

.....
.....
.....
.....
.....

4. IDENTIFY HOW THIS MARKET ACCESS ISSUE FITS WITHIN THE GRAINS MARKET ACCESS STRATEGIC PLAN

Note: If this issue is not identified within the current Grains Market Access Strategic Plan, explain why the issue is now raised.
